BOXi MP-350［Basic specifications］

CODE：1915-1

Item		Specification
Projection performance	Brightness	300 lm
	Contrast ratio	1,000：1 (JIS X 6911) (10,000：1　Our standard of measurement) *
	Resolution	WXGA　1,280×800
	Aspect ratio	16：10
	Homogeneity	80% (JBMIA Base period)
	Lens	F=2.0 f=9.05mm
	Focus	Manual
I/O	VGA input	D-Sub 15p
	HDMI input	HDMI TypeA
	USB terminal	USB2.0 TypeA
	WiFi	IEEE802.11b/g/n
	Audio (speaker) output	Built-in audio (speaker) output (1W)
Input signal type	RGB signal input	640×350〜　WSXGA+(1680×1050)
	HDMI input	480i/p, 576i/p, 720p, 1080i/p 640×350〜WSXGA+(1680×1050) HDMI 1.4b Compliance, HDCP Correspondence
Noise level	Noise (FAN)	47dB (Presentation mode) 40dB (Other than those above)
Power source	AC Adapter	100〜240V, 50〜60Hz
	Power Consumption	65.4W 35W
External size and Weight	External dimensions	132mm(Dimension)×143mm(Width)×43mm(Height)　(The height includes rubber feet)
	Weight	500g
Operating environment	Operational temperature/ Operational humidity	5〜35 ℃／85% (Maximum)
	Storage temperature/ Storage humidity	−20℃〜+60℃／90% (Maximum) No condensation

BOXi T-200［Basic specifications］

CODE：1918

Item		Specification
Projection performance	Brightness	150 lm
	Contrast ratio	1,000：1 (JIS X 6911) (10,000：1　Our standard of measurement) *
	Resolution	WXGA　1,280×800
	Aspect ratio	16：10
	Homogeneity	60% or more
	Lens	F=2.0 f=9.05mm
	Focus	Manual
I/O	HDMI input	HDMI TypeA
	Audio (speaker) output	Built-in audio (speaker) output (1W) Monaural
	External Audio Output	Headphone Max. output power: 30mW+30mW (16ΩLoad)
	USB External power feeding output	DC5V　Maximum 2A Constant power feeding
Input signal type	HDMI input	480i/p, 576i/p, 720p, 1080i/p 640×350〜WSXGA+(1680×1050) HDMI 1.4bCompliance, HDCP Correspondence, CEC Correspondence
Noise level	Noise (FAN)	39dB (Brightness mode) / 37dB (Except for the left)
Power source	AC Adapter	100〜240V, 50〜60Hz
	Power Consumption	36W (Brightness mode, USB power supply 2A) 25W (Brightness mode, No USB power feeding)
	Power Consumption(Standby time)	0.5W or less (CEC OFF, No USB power feeding)
External size and Weight	External dimensions	95mm(Dimension)×153mm(Width)×36mm(Height)　(The height includes rubber feet)
	Weight	300g
Operating environment	Operational temperature/ Operational humidity	5〜35 ℃／85% (Maximum)
	Storage temperature/ Storage humidity	−20℃〜+60℃／90% (Maximum) No condensation

Input signal type	HDMI input	480i/p, 576i/p, 720p, 1080i/p 640×350〜WSXGA+ (1680×1050) HDMI 1.4bCompliance, HDCP Correspondence, CEC Correspondence
Noise level	Noise (FAN)	47dB (Brightness mode) 40dB (Other than those above)
Power source	AC Adapter	100〜240V, 50〜60Hz
	Power Consumption	56.4W (12V、4.7A)：Normal mode 25.2W (12V、2.1A)：Eco mode
External size and Weight	External dimensions	132mm(Dimension)×143mm(Width)×44mm(Height)　(The height includes rubber feet)
	Weight	480g
Operating environment	Operational temperature/ Operational humidity	5〜35 ℃／85% (Maximum)
	Storage temperature/ Storage humidity	−20℃〜+60℃／90%(Maximum) No condensation

Mobile Battery

The mobile battery to use with BOXi T-350/T-200 has to meet the following conditions:
1. Battery output voltage: DC19V
2. Rated current: 3.5A or more
3. Overcurrent-protection circuit on-board
4. Compliant with the standards of using area (UL,CE, PSE, e.g.)

*The ratio of the maximum white illumination to the minimum black illumination of the projection system

CONVENIENT & EFFECTIVE FOR BUSINESS

IN THE OFFICE...
3.3' / 50 inch
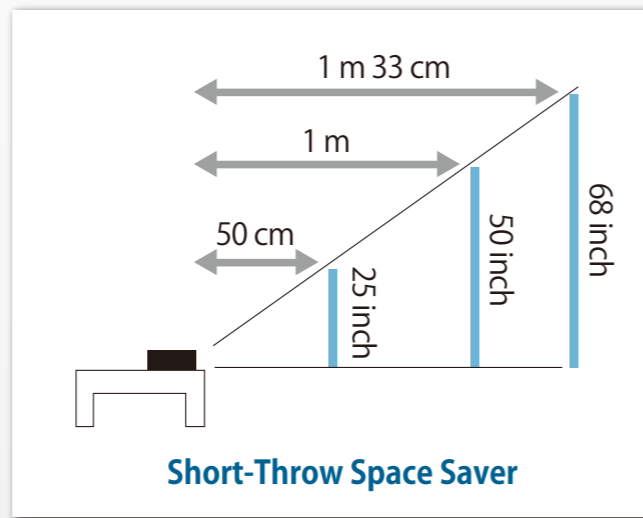

For Meetings & Conferences...

There is no need to book a meeting room with BOXi as even small spaces can be used for important meetings. A 3.2 ft throw distance projects a 50 inch image which means less space is required to visually support communication with clients.

Presenting to Clients

With its compact lunch-box size, you can carry BOXi in a briefcase or purse wherever you go. A quick 7 seconds start up & shut down facilitates faster mobilization of presentations.

FOR COMMERCIAL USE...
LED

For Entertainment

BOXi is ideal for commercial use in sports bars and restaurants. The long life LED lamp can run for eight hours a day for approximately 6.8 years making BOXi a great option for low-cost digital signage.

MP-350 | Exceptionally Adaptable Multi-Functional Model

BOXi × PC
Collaborate with others with ELMO's BOXi Play software where up to 4 computer screens can be viewed wirelessly at the same time.

BOXi × Smartphone / Tablet
Use the BOXi Air app to make an impact at your next meeting when you give a presentation wirelessly while carrying your tablet.

BOXi × USB Storage device
Insert a USB flash drive to easily project Word, Excel, PowerPoint, PDF files or watch a movie.
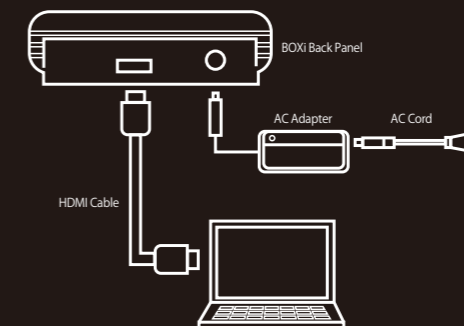

T-350 | User-Friendly Simplified Model

T-200 | Light and compact model

Simple Configuration
Just connect the power and HDMI cable to start using BOXi.

BOXi Back Panel
HDMI Cable
AC Adapter
AC Cord

Various Display Modes
Choose from 7 types of display modes to match your projection setting.

USER	User	Customize preferences.
	Cinema	Film/Movie mode
	Photo	View still images, such as photos, for exact color reproduction.
	Normal(Default)	Standard color and brightness mode
GAME	Game	Game and animation mode
	Presentation	Advanced chromogenic mode for vivid projection of computer documents.
MAX	Bright (Max)	Brighter projection mode

Audio Output
In addition to a built-in speaker, an external output is included for connecting to a speaker.

Mobile Battery
Use the convenient mobile battery (sold separately) when using BOXi T-200 or T-350 outdoors or in places with limited or no electricity.

Refer to the BOXi website for detailed information.   http://www.elmoboxi.com
