#### **FEATURES**

#### **LED Backlight**

HYUNDAI's public displays with LED backlight bring the advantage of up to 40% lower power consumption, compared to displays with CCFL backlight.

# Easy operating OSD menu, Remote control

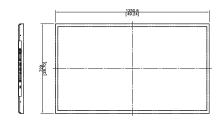

In order to setup a multi display wall, the single units are linked by a daisy chain connection over DVI interface. The configuration of each display can be easily set-up over the on-screen menu or the RS232C interface.

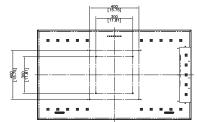

#### Slim Design

These products enable the slim design.
